

HOW DOES THE EVENT PLATFORM BRELLA WORK?

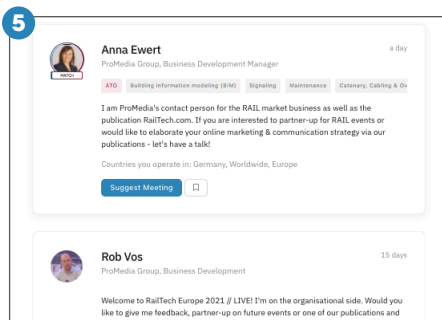

Create your personal profile to get access to the platform

- 1 Log in on the platform
- 2 Add when you are available for meetings
- 3 Select the keywords that are interesting for you and your company. These keywords will be used to:
 - a) match you to other professionals with the same interests
 - b) give you a selection of the workshops and presentations that might be interesting for you
- 4 Add a profile picture and an introduction text
- 5 Start your event experience!

You will enter the homepage of the event, that includes the stream on the mainstage.

Start networking!

To start networking and plan meetings with other professionals you go to **'people'** in the left menu. Here you find a list of all professionals that selected the same interests.

By clicking on **'suggest meeting'** you can plan a meeting with somebody else.

RailTech Europe offers

- the opportunity to plan 1-on-1 meetings with other professionals, also the speakers are up for networking!
- group meetings with other professionals. You can invite more than one people to the same meeting
- all stages have a chat function where you can react on what's happening on the stage and ask questions to speakers

What's more

- Join the content sessions on one of the three different stages! - you find them on 'streams'
- Browse through the exhibitors and get in touch with them
